Erratum

Erratum to “Global healthcare expenditure on diabetes for 2010 and 2030” [Diabetes Res. Clin. Pract. 87 (1) (2010) 293–301]

Ping Zhang^{a,*}, Xinzhi Zhang^a, Jonathan Brown^b, Dorte Vistisen^c,
Richard Sicree^d, Jonathan Shaw^d, Gregory Nichols^b

^a Division of Diabetes Translation, Centers for Disease Control and Prevention, Atlanta, GA, USA

^b Center for Health Research, Kaiser Permanente, Northwest in Portland, Oregon, Portland, OR, USA

^c Steno Diabetes Center NS, Niels Steensens Vej 2, DK-2820 Gentofte, Denmark

^d Baker IDI Heart and Diabetes Institute, 250 Kooyong Road, Caulfield, Victoria 3162, Australia

The publisher regrets that an error appeared in the above paper.

The second sentence of the paper should read:

There are an estimated 285 million adults with diabetes in 2010; this number will continue to increase globally due to an aging population, growth of population size, urbanization and high prevalences of obesity and sedentary lifestyle [1].
